

**Terms & Conditions for Hampshire's Top Attractions Summer of Fun with South Western Railway  
2018.**

These terms and conditions outline the use of the attraction vouchers and rules for redeeming them at a venue.

When on [hampshireattractions.co.uk/SWRSummer](http://hampshireattractions.co.uk/SWRSummer) you will have the opportunity to download as many attraction vouchers as you would like for use between 11th June and 2nd September 2018. **Please note that some vouchers validity dates start LATER than the 11th June, please check the validity dates on the vouchers shown.** The vouchers on the website are only redeemable at the attractions stated and cannot be redeemed at any of the other attractions listed on [hampshireattractions.co.uk](http://hampshireattractions.co.uk). Vouchers used after 2nd September 2018 will not be valid and you will not be allowed to use them. These vouchers cannot be used in conjunction with any other offer and the voucher(s) must be presented upon redemption. You can show the vouchers on your mobile or tablet device or you can print the voucher and hand in upon arrival. **Please note that some vouchers are for use ONLINE only and visits must be pre-booked via their website, please check the voucher t&cs for more details.** The attraction reserves the right to withdraw the voucher at anytime and reserves the right to deny you entry. The vouchers are only valid **IF** they are show with a valid South Western Railway train ticket (the validity dates on your train ticket must be within 2 weeks of your visit to the attraction and you must travel the nearest train station to the attraction to be able to redeem your voucher)

Before downloading a voucher, you will be asked to '**register for an account**' - the details that will be requested will be an email address (this is so that the functionality of the voucher system works and the voucher can get emailed directly to you - **you are not** signing up to any marketing e-newsletter updates and your email is not used for anything else except of that just mentioned). Your email address is not shared with any other 3rd parties. You will also be asked where you found out about the Summer campaign (this is used for campaign data reporting only and your details are not shared) and you will also be asked for the first part of your postcode (4 letter area code) this is used for campaign data reporting only so that we (HTA) can see where visitors have come from - this is not identifiable data and we will not allow you to enter in all of your postcode.

If you have already registered for an account, you will be able to '**log in to your account**' when you hover over one of the discount vouchers. If you enter your log-in details to the boxes provided, you will then be able to have any of the vouchers downloaded directly to your inbox.
